

**1** Components

Top Marble - x01

Stem- x01

Base- x01

This diagram shows the three main components of the lamp. On the left is a flat, circular 'Top Marble' with a small hole in the center. In the middle is a long, thin 'Stem' with a threaded bottom. On the right is a 'Base' consisting of a wire mesh cage with a circular opening at the top.

**2**

Stem

Base

This diagram illustrates the second step of assembly. The 'Stem' is being inserted into the circular opening at the top of the 'Base'. Arrows indicate the stem is pushed down and rotated to fit.

**3**

Top Marble

This diagram shows the third step. The 'Top Marble' is being lowered onto the top of the 'Stem'. Arrows indicate the marble is pushed down and rotated to seat properly.

**4**

This diagram shows the final assembled product, a modern table lamp with a flat top, a thin stem, and a wire mesh base.
